

PRODUCT DETAILS

SPIRE

Overview

SPIRE is designed to be the ideal lecturer's station for smaller rooms. Available in a wall mounted, floor supported and trolley version, it is adaptable to any requirements the user may have.

SPIRE features a tamper proof security cage in the centre of the product able to house a PC, with concealed internal cable management in the mast.

Supplied with an aperture in the mast to suit your control panel and can be customised to specific media and power supply combinations at additional cost.

Features

- Mounts LCD and plasma screens up to 80"
- Aperture in mast to suit your control panel
- Screen bracket with 6° of downwards tilt
- Includes JUPITER-Lite bracket up to 400 x 400 VESA

Benefits

- Customised to specific media and power supply configurations
- Easy to operate with a push of a button
- Lecturer station ideal for smaller spaces
- Secured to the wall
