

Whiteboard Surface

Screen Display

## PRODUCT DETAILS

# CoACT

Ideal for multi-purpose spaces, CoACT is a flexible display solution that facilitates different learning styles within the same space, transitioning from whiteboard to screen display in a matter of seconds.

Each unit can be configured to your exact requirements, with customisable power and connectivity (HDMI / MiniDP / USB charge only / 13A / RJ45 / Control Panel) plus a range of standard paint finishes & branding options.

Its effective internal cable management system alongside seamless AV/IT integration result in a stylish 'all-in-one' solution.

### Features

- Equipment shelf & pen tray
- Steel construction and drill-resistant locks
- Ventilation slots
- Vinyl or illuminated branding

**Ideal for flexible learning**  
Enabling different styles of teaching within the same space

**Easy screen deployment**
