

## PRODUCT DETAILS

# SYNERGY BLADE

### Overview

BLADE has been designed incorporating characteristics from the SYNERGY PLECTRUM REVERSE and QUAD shapes.

The worktop has been expanded to allow more contributors to fit at the end of the table, with the screen still being used as a primary resource.

This allows the creation of instant meeting spaces with minimal impact on existing infrastructure whilst a full range of finishing options ensure you bring your furniture in line with your brand identity.

### Features

- Video conferencing with single or dual screens
- Mounts screen sizes up to 65"
- High quality materials with classic design

### Benefits

- Enrich boardroom environments for colleagues to discuss ideas and collaborate around screen
- Create instant meeting space with minimal impact on infrastructure
- Facilitates small groups of four and larger meetings with up to 8 participants
