

## PRODUCT DETAILS

# BRAVO / BRAVO HA

### Overview

BRAVO is a stylish range of fixed height and electric height adjustable lecterns, ideal for a variety of spaces.

BRAVO offers enhanced four-door access and greater storage space than earlier models whilst maintaining the highest levels of security. BRAVO incorporates our innovative 19" removable rack unit, which secures both rack and non-rack mounted equipment.

BRAVO models also feature removable castors for a more streamlined look and a robust and stylish ENDO monitor arm for security.

### Features

- Height adjustable models
- 8U or 12U rack
- Illuminated branding
- Articulated monitor arm

### Benefits

- Ultra smooth and quiet motor on HA models
- Mobile for increased flexibility
- Integrates IT and AV equipment to place technology at your fingertips
- Adaptable - able to accommodate new devices
