

PRODUCT DETAILS

LECTUS

Overview

LECTUS is a desk style lectern for teaching and presenting. Whilst similar to standard seminar room desking, LECTUS features two x 2U secure 19" racks with internal shelving options for excellent internal cable management and an articulated ENDO monitor arm for presenter comfort.

Our user facing doors come with the choice of three aperture styles. If none of our standard styles meet your requirements a bespoke aperture design option is available.

Features

- 2x 2U 19" internal rack units
- Four door options including bespoke option
- Suited key options available at no extra cost

Benefits

- Full access through front and rear doors
- Stylish design to compliment a variety of interiors
- Small desk style lectern to compliment desking in any room size
