

## PRODUCT DETAILS

# EXPERT

### Overview

EXPERT is a contemporary styled lectern designed to enhance any presentation space. Able to securely house integrated media equipment, it is suitable for all room sizes. With a removable rack system and illuminated branding, EXPERT is another premium quality offering to suit particular interior designs.

EXPERT incorporates our innovative 19" secure rack unit, that allows non rack-mounted equipment to be fitted and secured within the rack space. The four door access design also allows unrivaled access to the racking system. Modesty panels are included in the price where required.

### Features

- Superb build quality
- Available with 16U or 32U rack space
- Extensive model range to suit all space sizes
- Large working surface

### Benefits

- Adaptable and able to accommodate new equipment types
- Extensive access through front and rear door with a total of four door opening for easy equipment fitting and maintenance
