

PRODUCT DETAILS

JUNO

Overview

JUNO, an elegant wall mounted presentation station suitable for a wide range of smaller spaces or reception areas.

The screen can either be mounted to the wall or on an articulated ENDO monitor arm for security which comes as standard with a JUNO B, but at an additional cost for JUNO A. JUNO features a housing underneath for a PC and tidy internal cable management, creating the perfect space saving unit.

Features

- Choice of two worktop sizes 730mm or 800mm
- Suited key options available at no extra cost
- 11U half / 5U full rack space (on JUNO B)
- ENDO monitor arm on JUNO B (additional cost for JUNO A)
- Worktops are supplied with a depth of 25mm to 40mm

Benefits

- Space saving unit, utilises any room size
- Excellent access for equipment fitting and maintenance
- Housing underneath for AV and IT equipment
