

PRODUCT DETAILS

EXPLORER

Overview

Available in a single or double unit, EXPLORER is a compact and contemporary style lectern that can be fully integrated with AV and media equipment. It is an ideal solution for small to medium presentation spaces.

Utilising our innovative 16U rack design, which secures both rack and non-rack mounted equipment, EXPLORER is supplied with a flexible monitor arm and concealed castors. The basic features of an EXPLORER result in a cost effective product with a vastly reduced lead time.

Features

- Available with innovative 16U or 32U rack
- Flexible monitor arm
- Concealed castors
- Excellent internal cable management

Benefits

- Cost effective with a vastly reduced lead time
- Adaptable and able to accommodate new devices
- Extensive access through front and rear door
