

## PRODUCT DETAILS

# SYNERGY - FOLDING

### Overview

SYNERGY FOLDING table is highly effective where space is at a premium, room use is varied and multi-use changeover times need to be short. The table is easily converted into a mobile item in less than three minutes and fits through a standard door when folded.

SYNERGY is ideal for the creation of Technology Enhanced Active Learning (TEAL) Environments and Agile Working Spaces that are used for lectures, group work and as interactive environments.

### Features

- Adjustable computer cradle fitted beneath worktop
- Universal screen mount for sizes up to 65"
- Connectivity options in the mast and table

### Benefits

- Encourages collaborative working with the screen as a secondary aid
- Folding option allows you to easily store tables to one side, creating more space
- Stylish superb quality construction and design that will compliment any space
