

PRODUCT DETAILS

RUBI

Overview

Rubi is an economical media cabinet for small rooms. It is a compact solution allowing it to be placed in areas where space is limited.

All four sides of Rubi are lockable and detachable from the frame providing easy access to equipment.

The standard unit comes with six power sockets and 16U of horizontal rack space at 350mm depth (or 5U of vertical rack space at 500mm depth) with half of the rack space accessible to the user through apertures that may be adjusted to suit your access requirements.

Features

- Slim rack unit for AV and IT equipment
- Removable panels on all sides of the lectern
- Lockable and detachable panels
- Fully mobile on four concealed castors

Benefits

- Slim unit helps utilise the smallest room space
- Adaptable, able to accommodate new devices
- Four door opening access for easy equipment fitting and maintenance
