

PRODUCT DETAILS

FOCUS

Overview

Focus is an all-in-one collaborative solution that meets the requirements of the ever-changing workspace. It was designed to suit the open plan office and redefine meeting spaces. This furniture solution can be placed in an open space to create an instant Huddle space or deployed in a classroom for active learning.

The unit has been designed with an integrated collaborative table fixed to the sleek media unit which features a recessed screen. Equipped with cutting edge technology, Focus allows people to collaborate, develop and share work seamlessly.

Features

- Facilitates 42" and 55" display screens
- 9U half / 4U full width rack space
- Optional camera mount
- Bespoke connectivity inputs
- Fully removable panels to facilitate integration of AV
- Flexible design with choice of worktop shapes

Benefits

- Ideal for impromptu meetings in Huddle spaces and video conferencing to classrooms for active learning
- Technology ready all-in-one solution
- Designed to maximise AV and IT equipment and cable storage
- Easy integration for collaboration
