

PRODUCT DETAILS

ARIES

Overview

ARIES is a stylish presentation lectern that features a height adjustable area that can be ordered flat or angled at 15°.

Equality Act compliant, ARIES incorporates 16U or 32U rack space, half the rack open as standard and our removable racking system that allows the user to pre-fit their AV/IT equipment prior to full installation.

With its ergonomic design and modular construction, ARIES also features internal cable management and an articulated monitor arm for an excellent user experience.

Features

- Height adjustable end panel
- Secure 19" removable rack unit
