

## PRODUCT DETAILS

# ADAPT

### Overview

ADAPT is a mobile screen stand solution that houses IT equipment. It features a strong yet slim steel build and provides a secure space for a PC with a choice of standard data interface plates. It includes 3 x 2U rack mounts on each side with a removable aperture cover for PC access and is fitted with high quality castors and a universal screen mount.

ADAPT is easy to deploy, enables room flexibility and the ability to quickly supply functionality to a room, where the built in systems have failed.

### Features

- Supports up to screen sizes up to 75"
- 3 x 2U rack mounts on each side
- Hidden internal cable management power
- Includes shelf with adjustable bracket to hold PCs
- Removable panels for full access to ports
- Fitted with universal screen mount
- Keyboard pocket which can be moved/removed depending on user preference

### Benefits

- Designed to nest within other ADAPT units for tidy unobstructive storage
- Customised to specific media and power supply configurations
- Mobile unit which can be brought in and stored away whenever required
