

PRODUCT DETAILS

SYNERGY TEARDROP

Overview

SYNERGY TEARDROP is a collaborative activity space, ideal for small group meetings with up to six contributors, using a shared screen. The table shape is specifically designed to encourage collaboration and interaction between all users.

SYNERGY TEARDROP shape allows all users to have equal and clear lines of sight to the screen when using it as a primary aid, allowing users to share digital content seamlessly.

Features

- Worktops are supplied with a depth of 25mm to 40mm
- Screen mounts screen sizes up to 65"
- PC cage
- Standard data interface plate and connectivity
- Standing or seated top option

Benefits

- Enrich boardroom environments for colleagues to discuss ideas and collaborate around screen
- Create instant meeting space with minimal impact on infrastructure
- Facilitates small groups of two and larger meetings with up to 6 participants
- Able to mount dual screens
