## FREE space planning + consultation service

Utilising our vast experience in education, we can maximise the potential of any space.

### ● FREE initial consultation

To help gain a better understanding of your project objectives.

### ● Let us do what we do best!

We can give you suggestions on how to populate your space with 2D space planning alongside 3D visualisations.

- Correct no. of workspaces
- Right amount of space between users
- Distance between tables for walkways
- Bespoke WxDxH sizes able to accommodate pillars, corners etc.

### ● Site visit

Ensuring your organisation receives a trouble-free service with minimal disruption.

### ● Specialist installation team

Install our products on your site at a time that is convenient to you.

Quoted on a project by project basis and dependent on location and site access.

### ● 2D Drawings

### ● 3D Renders
