

PRODUCT DETAILS

ADAPT

ADAPT your space for teaching. The ADAPT features a strong yet slim steel build, screen mount, secure space for a PC and with a choice of standard data interface plates. Fitted with high quality castors and a universal screen mount. Designed to nest within other units for tidy unobstructive storage.

ADAPT is easy to deploy, enables room flexibility and the ability to quickly supply functionality to a room where the built in systems have failed. The keyboard pocket can be moved/removed depending on user preference.

Features

- 3x 2U rack mounts on each side of unit
- Removable panels for full access to AV/IT equipment
- Supports up to 800x600 VESA screens
- Height adjustable models available

Ideal for agile learning
Ideal solution for any open plan or agile learning spaces.

Easy screen deployment
High quality castors for easy room-to-room manoeuvrability.

Facilitates seamless AV/IT integration
Complete internal cable management creates an 'all-in-one' solution.

Secure your AV equipment
Robust steel construction and drill resistant locks ensure security.
