

Whiteboard Surface

Screen Display*

PRODUCT DETAILS

CoACT

Ideal for multi-purpose spaces, CoACT is a flexible display solution that facilitates different learning styles within the same space, transitioning from whiteboard to screen display in a matter of seconds.

Each unit can be configured to your exact requirements, with customisable power and connectivity (HDMI / MiniDP / USB charge only / 13A / RJ45 / Control Panel) plus a range of standard paint finishes & branding options.

Its effective internal cable management system alongside seamless AV/IT integration result in a stylish 'all-in-one' solution.

Features

- On-board 4U tilting rack space
- Steel construction and drill-resistant locks
- Front & rear panel access
- Vinyl or illuminated branding

Ideal for flexible learning
Enabling different styles of teaching within the same space.

Easy screen deployment
High quality castors enable easy room-to-room transportation. Able to fit through a standard doorway.

Facilitates seamless AV/IT integration
Complete internal cable management creates an 'all-in-one' solution.

Made-to-measure
Inlaid screen, each unit is designed for your specific screen model.

*Two-tone finishes will incur an additional cost
