

Digital Signage Stand

made to measure
for your screen

suitable for
screens
up to 95"

The Digital Signage Stand is an elegant effective housing for both screens, PCs and other AV/IT equipment. The free standing screen enclosures can be finished to suit any brand style, including illuminated or vinyl branding.

Designed to be used for displays in meeting and public areas or as internal information points, these stands allow for large screens to be strategically placed wherever they may have the most impact.

Ideal for use in meeting rooms where tamper proof installation is required.

Height adjustable

Screen electrically rises and falls to suit user preference.
