

# Digital Signage Stand

up to 95" screens

made to measure for your screen

The Digital Signage Stand is an elegant effective housing for both screens, PCs and other AV/IT equipment. The free standing screen enclosures can be finished to suit any brand style, including illuminated or vinyl branding.

Designed to be used for displays in meeting and public areas or as internal information points, these stands allow for large screens to be strategically placed wherever they may have the most impact.

Ideal for use in meeting rooms where tamper proof installation is required.

## Versatile solution

Ideal for use as information points in a variety of meeting room spaces.

## Easy equipment access

Removable front and rear panels for access to cabling and equipment.

## Secure your equipment

Keep your equipment safe in open access environments.

TOP-TEC

10-year mechanical warranty
