

## PRODUCT DETAILS DISCOVERY

**130kg**  
screens

DISCOVERY encourages collaboration in workplace and educational environments, allowing users to create instant meeting and working spaces in any open plan area.

Each unit features 10U full width / half depth (horizontal) / 4U full width (vertical) rack space for AV/IT equipment and storage for a PC, creating the perfect all-one-solution.

### Features

- Supports heavy duty screens up to 90" / 130kg
- 10U full width / half depth (horizontal) / 4U full width (vertical) rack space
- Camera & sound bar shelf options
- Single & dual screen options available

### Height adjustable

Ensures screen can be accessed at any height for Equality Act compliance.

### Easy screen deployment

Screen mobility reduces the number of fixed screens required in the workplace.

### Create instant meeting spaces

Minimise impact on infrastructure by not mounting screens on the wall.
