

Hinged worktop mechanism provides easy access for maintenance

Explorer v3

Available in a single (16U) or double (32U) unit, Explorer is an AV integrated lectern focused on small to medium presentation spaces.

Utilising our 16U rack design, which secures both rack and non-rack mounted equipment, Explorer is supplied with a flexible monitor arm, concealed castors and a hinged worktop. The basic features of an Explorer result in a cost effective product with a very competitive lead time.

Features

- Single (16U) or double (32U) rack space
- Front and rear door rack access
- Steel, wooden or fabric side panels

Secure your AV equipment

Robust steel construction and drill resistant locks ensure security.

Seamless AV integration

Complete internal cable management creates an 'all-in-one' solution.

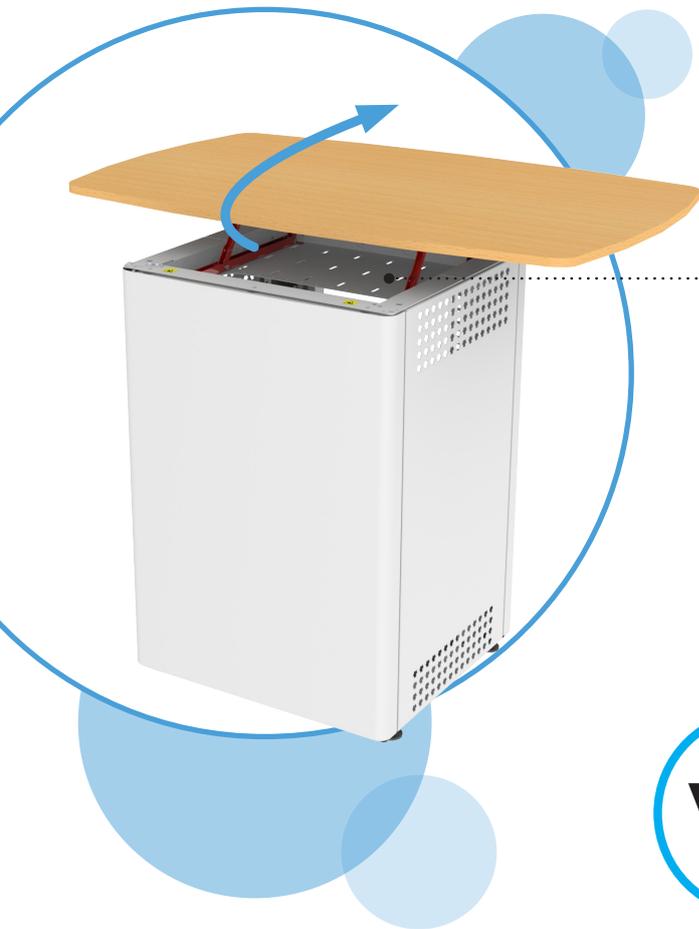

Rushed for time?
