

## PRODUCT DETAILS

# JUNO

Available with  
'Gravity HA' option

JUNO, an elegant wall mounted presentation station suitable for a wide range of smaller spaces or reception areas.

The screen can either be mounted to the wall or on an articulated monitor arm for security (additional cost option). JUNO features a housing underneath for a PC and tidy internal cable management, creating the perfect space saving unit.

### Features

- 11U horizontal (350mm depth) / 5U vertical (500mm depth) rack space (on JUNO B & C)
- Excellent equipment access on all models
- Housing underneath for AV /IT equipment

**Secure your AV equipment**  
Robust steel construction and drill resistant locks ensure security.

**Facilitates seamless AV/IT integration**  
Complete internal cable management creates an 'all-in-one' solution.

**Utilise any sized space**  
Space saving unit, enabling AV integration into smaller spaces.

**Juno C - Gravity height adjustment**  
Able to accommodate up to **20kg** of equipment
