

PRODUCT DETAILS

LECTUS

LECTUS is a desk style lectern for teaching and presenting. Whilst similar to standard seminar room desking, LECTUS features a 4U rack (vertical plus 2U half width or 12U half width per leg), excellent internal cable management and an articulated ENDO monitor arm for presenter comfort.

Our user facing doors come with the choice of three aperture styles. If none of our standard styles meet your requirements a bespoke aperture design option is available.

Features

- 2x 2U 19" internal rack units
- Range of door options
- Articulated monitor arm
- Front and rear door rack access

Secure your AV equipment
Robust steel construction and drill resistant locks ensure security.

Facilitates seamless AV/IT integration
Complete internal cable management creates an 'all-in-one' solution.

Stylish design
Small desk style lectern to compliment any learning environment.
