

Levigator HA

Trolley: 800x600 VESA / 80kg

Wall mount: 800x600 VESA / 100kg

Levigator HA is an electronically height adjustable trolley and wall mounted solution, ideal for mounting large screens for classroom, boardroom, reception and office environments.

Levigator HA offers a more cost effective and streamlined solution to help easily incorporate height adjustable screens into a variety of spaces.

- Electrically height adjustable.
- Trolley and wall-mounted versions.
- Secure storage behind the screen for AV equipment.
- Hook on laptop shelf and screen shrouds accessories + branding.

Height adjustable

Screen electrically rises and falls to suit user preference.

Easy screen deployment

High quality castors for easy room-to-room manoeuvrability.

Secure your equipment

Lockable storage space behind the screen securely encloses your AV equipment and conceals the screen locking bar.

Adjust the screen to your preferred working height
805 - 1455mm screen mount centres
