

Manual 'Flip-Top' Desks

10-year
mechanical
warranty

up to 27"
screens

Transform your workspace in seconds with these popular multi-functional desks. Manual Versatile 'Flip-Top' Desks conceal screen, keyboard and mouse, all available to the user at the pull of a lever. Supporting ICT and non-ICT activities within the same space, these user-friendly desks are well established by their build quality.

Our desking is designed to effectively secure, integrate and deliver your technology with tamper proof and fully cable managed solutions.

As each of our desks are designed and manufactured in-house, you can also take advantage of our customisation service to achieve the exact finish you require.

Multi-purpose learning

Transforms from ICT workspace to traditional writing surface in seconds.

Your complete 'all-in-one' workspace

Integrates PC, screen, keyboard and mouse into one workspace with complete internal cable management.

Perfectly made for your screens

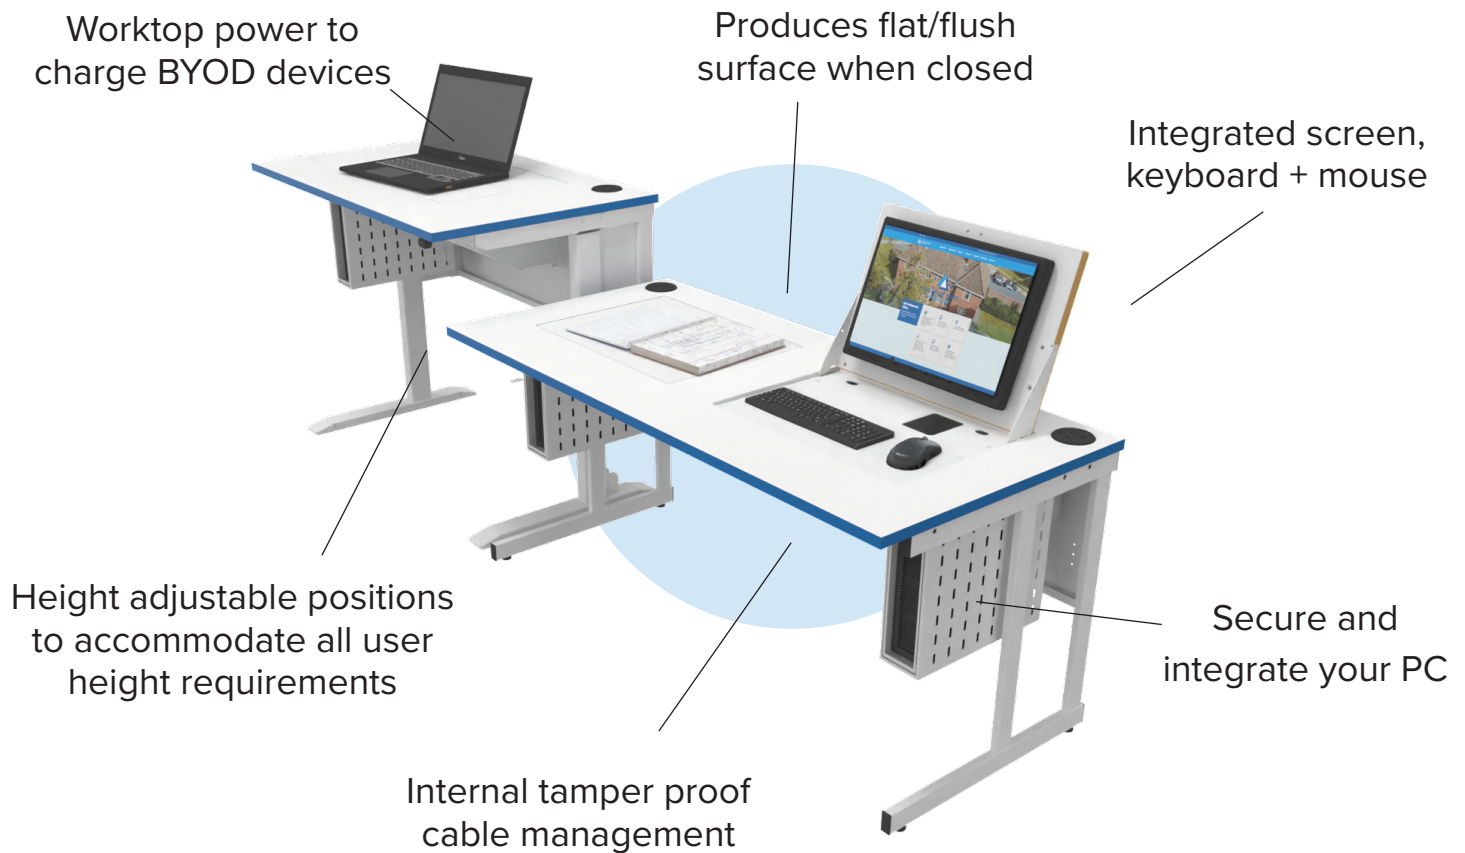

Screen is sent to us before to ensure perfect fit.

Built to last

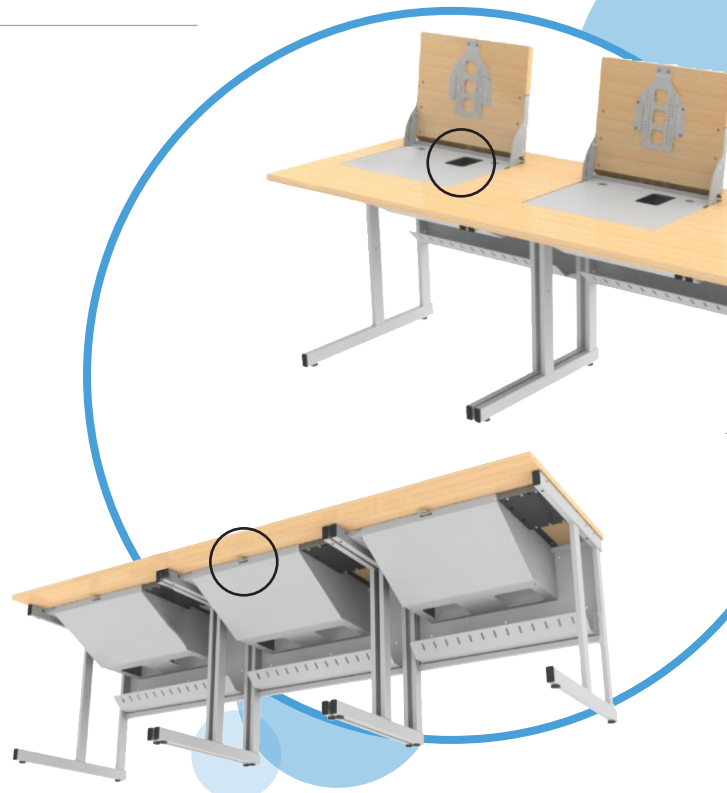

All our desks are manufactured from steel at our factory in Birmingham with a strong and robust design.

Screen, keyboard and mouse are revealed using simple latch mechanism underneath the worktop via a smooth gas strut mechanism.

Apertures in pod to pass cables to screen keyboard and mouse + integrated cable trays for effective cable management.
