

PRODUCT DETAILS

NOVA WALL-MOUNT

Designed with security, fast installation and affordability in mind, the NOVA WALL-MOUNT can securely mount screens into a variety of meeting and learning spaces.

All cables are concealed within the mast alongside space for a small PC, creating the ideal 'all-in-one' solution for wall-mounting screens.

Our JUPITER LITE screen bracket features a padlock, secure locking bar and two adjustable VESA mounting arms which are fixed to the back of the screen and slotted into the main mounting bracket.

Features

- Available in a range of standard paint finishes
- Up to 400x400 VESA / 60kg screens
- Hook on equipment shelf (additional cost)
- Trolley and floor-mount versions available

All-in-one solution

All cables are concealed within the mast, creating the ideal 'all-in-one' solution for wall-mounting screens.

Simple installation

Designed to fit flush against the wall, each unit is easily secured with bolts at the top and bottom of the mount.

Tamper proof

Robust steel construction, drill resistant locks and a secure screen mount ensure the safety of your equipment.
