

Spire

10-year mechanical warranty

5-year electrical

The Spire offers the ideal solution for open plan and agile learning spaces and can effectively integrate AV/IT equipment to create the perfect all in one solution for use as both a teaching aid and digital signage.

It features an option for a tamper proof security cage in the centre of the product able to house a PC, with concealed internal cable management in the mast.

Available in a wall mount, floor-to-wall mount and trolley version, Spire is adaptable to any requirements the user may have.

Ideal for agile learning

Ideal solution for any open plan or agile learning spaces.

Easy screen deployment

Small footprint, slim profile & high quality castors for easy manoeuvrability. Can fit through standard doorway.

Facilitates seamless AV/IT integration

Complete internal cable management creates an ‘all-in-one’ solution.

Secure your equipment

Robust steel construction and drill resistant locks ensure security.
