

## PRODUCT DETAILS

# SYNERGY PLECTRUM

### PLECTRUM

- 6 and 9 seat versions
- Promotes group focus
- Uses screen as a secondary aid
- Ideal for TEAL environments

Our collaborative tables allow users to come together for group projects and discussions where they can share information and ideas seamlessly.

SYNERGY is designed to provide users with a dynamic and interactive solution that is fully AV and IT integrated and meets the high standard expected from educational furniture today.

TEAL environments have been shown to increase the attainment levels in education and the effectiveness of meetings in the commercial world.

### Features

- Standard mast and cable well connectivity
- Secure screen mount (up to 400x400 VESA screens)
- Available with a range of accessories

### Collaboration is key

Creating active learning environments to enhance student collaboration.

### Communicate & share

Our table shapes help promote discussion and enhance engagement.

### Facilitates seamless AV/IT integration

Complete cable management creates an 'all-in-one' solution.
