

Synergy Revolve

- Switch between the Plectrum and Reverse Plectrum shape to suit your preference and change the interaction of the group and the screen.

Our collaborative tables allow users to come together for group projects and discussions where they can share information and ideas seamlessly.

Synergy is designed to provide users with a dynamic and interactive solution that is fully AV and IT integrated and meets the high standard expected from educational furniture today.

- Mast and cable well connectivity options
- Secure screen mount
- Available with a range of accessories

Collaboration is key

Creating active learning spaces to enhance student collaboration.

Communicate & share

Our table shapes help promote discussion and enhance student engagement.

Seamless AV integration

Complete internal cable management creates an 'all-in-one' solution.
