

PRODUCT DETAILS

STUDY DESKS

STUDY DESKS are manufactured to provide durable, smart workstations that can function as both writing desks and areas compatible with portable computers.

Available in a number of sizes and finishes, the desks can be adapted and arranged to fit a large variety of room requirements.

Cable ports, optional cable trunking and a large choice of optional power options can all be added to the design to increase the desks compatibility with laptops and tablets.

Features

- Reduced modesty panel
- Contemporary cantilever design
- Can be fitted with made-to-measure PC cage

Perfect laptop workspaces

Transforms from ICT workspace to traditional writing surface in seconds.

Tailor-made to your requirements

Available in a range of sizes and finishes to fit a variety of room requirements.

Cable management

Integrated cable trays provide neat cable management.

Built to last

All our desks are manufactured from steel at our factory in Birmingham with a strong and robust design.
