

PRODUCT DETAILS

Box

Box is a range of single person Workbooths specifically designed to be used for private phone and video conference calls away from noisy office environments.

The workbooths are highly customisable with options on power, lighting, upholstery and table tops.

Features

- Wide range of fabric and worktop options.
- Light with PIR.
- Create private pod spaces with minimal impact on office infrastructure.

Effective acoustics

Helps limit external noise, creating the ideal solution for any open plan office spaces.

Plug in and play!

Simple to install, these booths are easy to use and ready to 'plug in and play'.

Customisable connectivity

Available with a wide range of power and data options to suit your requirements.

Our pods are designed with effective acoustics, helping limit external noise.

These dens are ideal for creating meeting spaces away from main office areas where staff can have high quality meetings that aren't effected by noise.
