

PRODUCT DETAILS SYNERGY PLECTRUM REVERSE

'COFFEE TABLE'

- An agile, dynamic and innovative solution for breakout spaces.
- Create informal meeting zones and instant huddle spaces.

Collaboration is key Creating active learning environments

to enhance student collaboration.

Communicate & share Our table shapes help promote discussion and enhance engagement.

Facilitates seamless AV/IT integration Complete cable management creates an 'all-in-one' solution.

Our collaborative tables allow users to come together for group projects and discussions where they can share information and ideas seamlessly.

SYNERGY is designed to provide users with a dynamic and interactive solution that is fully AV and IT integrated and meets the high standard expected from educational furniture today.
