

PRODUCT DETAILS

Arc Tilting Tables

Can be combined with Rise to create flexible workspaces

Our range of ARC TILTING TABLES are ideal for agile learning spaces, allowing the user to create learning environments fit for whatever their requirements are on the day (i.e. traditional classroom environment / collaborative group workspaces / empty space).

These tables provide a robust, reliable & affordable solution for reconfigurable furniture within all workplace environments.

Features

- Choice of BLADE, QUAD, TEARDROP and OBOUND worktop shapes (4 & 6-seat)
- User-friendly release mechanism
- Smooth controlled 'tilting action'
- Nesting design

Power & data options

Available with a wide range of worktop power & data modules.

Cable management

Cable tray below the surface of the worktop & cable tie points on the outside edge of each leg.

Maximise your space

Allows the user to create learning environments fit to their specific working requirements.
