

PRODUCT DETAILS

NEXUS ESPORTS STATION

ABOUT

Introduce your Students to the professional gaming sector and give them a taste of what ESPORTS has to offer.

The NEXUS ESPORTS STATION is a cost effective workstation with premium features designed to help you begin your ESPORTS journey.

Combine multiple desks and tailor the number of seats and specification to your exact requirements to create your perfect setup.

Elevate your space

A range of accessories allows you to add features to your desks.

Focus on your brand

Customise with printed or vinyl branding for the professional gaming aesthetic.

Facilitates seamless IT integration

Cable management options help create a clean and appealing space.

Customise your desks

Configure your desks to create your perfect ESPORTS solution.
