

Alcove Room

Expanding our Alcove collection, these rooms provide you with all the space of a large scale meeting room while retaining the flexibility of a meeting pod.

Adapt your space to your needs for board or team meetings, team working & collaboration, or a private office.

Quickly reconfigure the room layout, change the panel options, or add additional features to suit your specific requirements.

Create instant meeting spaces

Deploy meeting spaces without any modification to existing infrastructure.

Wide range of finishes

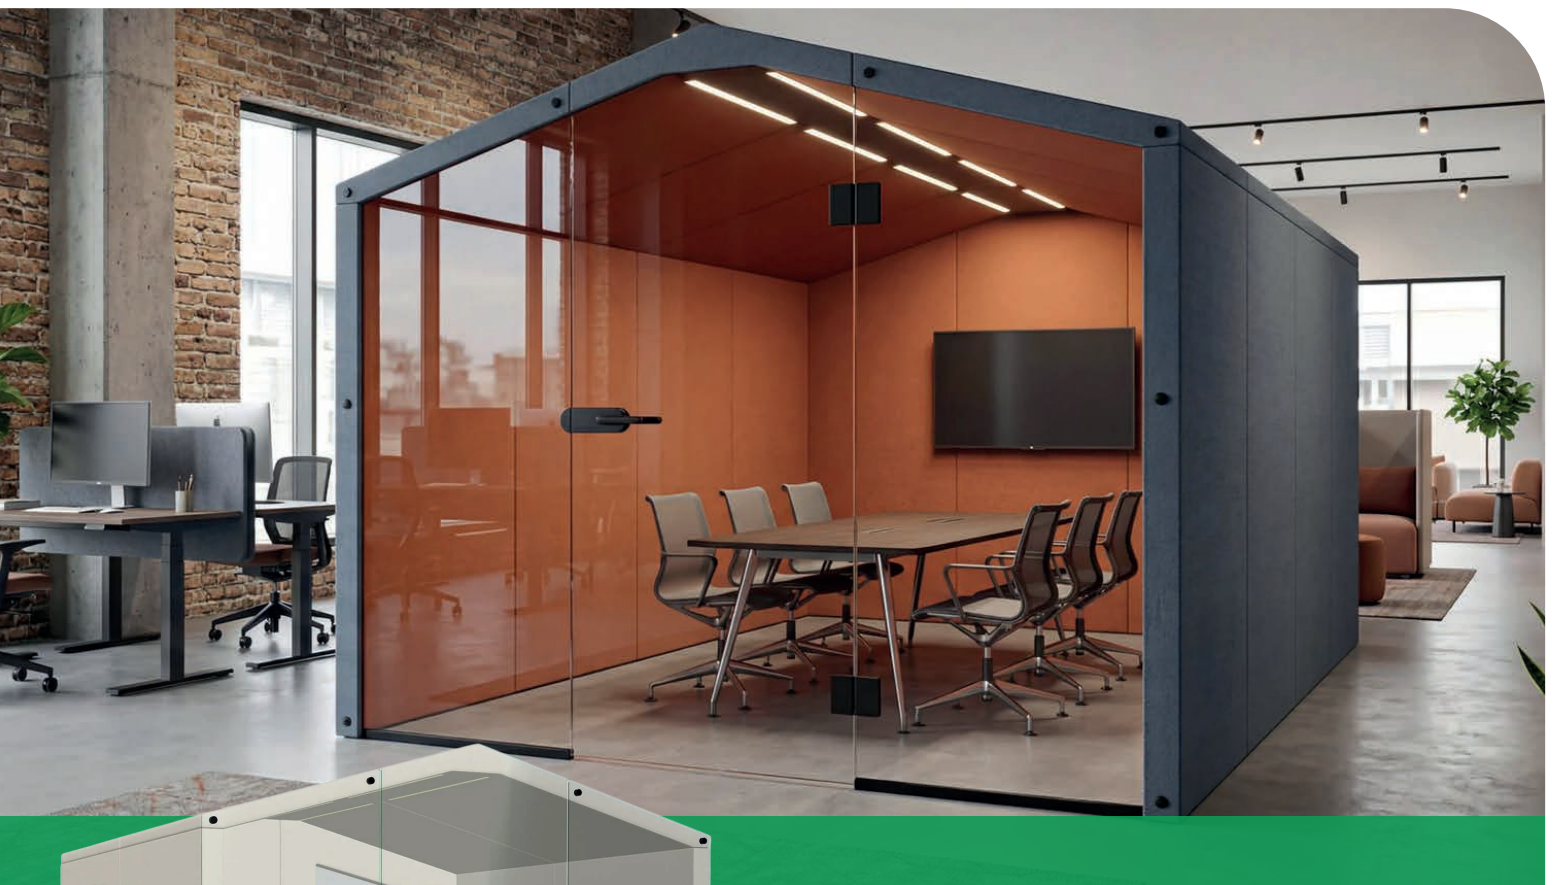

Customisable to your requirements with a range of fabric and colour options.

Plug in and play!

Simple to install these rooms are plug and play and are fully (and easily) relocatable, so they move when you move.

Our pods are designed with effective acoustics, helping limit external noise.

These dens are ideal for creating meeting spaces away from main office areas where staff can have high quality meetings that aren't effected by noise.
